JIM CHEMINEE

T'was the night before Christmas and down through the chimney came a man dressed in black and we cried "Who could that be?" Why, it was Santa Clause, and he was angry to boot! You see his jacket had been covered in soot! He wagged his finger and he looked kind of mean. He said, "YOU BETTER CALL JIM CHEMINEE AND GET THAT CHIMNEY CLEANED!" So we called 514-917-8192 and the folks at Jim Cheminee knew what to do. They sent us a chimneysweep - professional and skilled. He had modern techniques- just watching him was a thrill! He had all sizes of chimney caps and good prices too. Starting at just \$54,99 for oil furnaces and \$94,99 for wood fireplaces, we were plenty happy and you'll be too!
